

THE MINUTES OF THE REGULAR MEETING OF THE MRAC HELD ON APRIL 9, 1942.

The meeting was called to order at 8:30 PM by Pres. Kircher .

The minutes of the previous meeting were read by the Secy. and approved as corrected. The minutes of the last Board of Directors meeting held at the home of Geo. Ruger were also read.

Roll was called which revealed 38 men present of whom 24 were members.

Mr. Felber read a copy of a resolution of sympathy to the parents of the late Club Member Bob Guthrie W9LH, who was recently drowned while surf boarding at Honolulu. A second copy of this resolution was sent to The ARRL Inc., for publication and a third copy became a part of the minutes of the MRAC meeting held on April 2nd.

Pres. Kircher read a short communication from Henry Koch W9VLB, saying goodbye to the Club as he is on his way to a new job with a broadcast station in Miss.

Mr. Chas. Kruse, the speaker of the evening was then introduced who spoke very informatively on "Hell From Heaven" In this talk by means of slides and actual chemical demonstration he brought clearly before us danger of incendiary bombs and also certain chemicals in the hands of the saboteur. He also showed clearly how to handle these fire dealing chemicals with the least damage to ourselves and property.

Mr. Ritter and Mr. Ridell the Salesmanager, Of the Raytheon Tube Co. were introduced by Jack Doyle. These men stressed the fact that the Government is calling for huge quantities of certain types of tubes for micro wave equipment and that the Raytheon Co., is recruiting eligible Radio men for training in this type of Defense work.

The usual Club Raffle was ably conducted by Mr. Felber and the meeting was declared adjourned at 9:45PM.

Respectfully Submitted,

*Reid H. Burrows* Secy.
